Barriers to User Experience Design 1
Andy Priestner

Leadership is key: my UX journey 11
Anneli Friberg

UXVR – the potential of virtual reality to UX research 23
Victor Alfson

UX and information literacy 34
Helen Murphy

Reports are boring and you know it 41
Daniel Pshock

Why sketching can help you to implement UX techniques in your library 50
Magalie Le Gall and Maud Puaud

UX work in academic libraries and why it can be hard to move from research to design 66
Shelley Gullikson

Culture eats the design process for breakfast 71
Carl Barrow

The UX Button: an exploratory approach to UX embedding 78
Kitte Dahrén

Beyond surveys and interviews: planning for high-quality, impactful user research 85
Heidi Laidler

An accidental UX project: the case of toilet management in a French academic library 89
Nathalie Clot

Peers of the Realm: embracing students as UX researchers at King's College London 98
Maria O'Hara

From insight to action with Appreciative Inquiry 106
Kristin Meyer

Love at first sight: consolidating first impressions 123
Debbie Phillips and Emilia Brzozowska-Szczecina

From the Reading Room to the living room: transforming user experience of archival materials 129
Rachael Eddowes and Paul Hagon

Embedding with empathy 134
Ingela Wahlgren

Internships and ethnography: students researching students 139
Claire Browne and Elaine Lewis

Assessing UX work over time: a data management approach 147
Andrew Darby and Kineret Ben-Knaan

Designing new learning & working environments – our practical approach at ETH-Library 159
Eva-Christina Edinger

Digital prototyping 166
Vernon Fowler

The web as a virtual service point: a UX analysis 180
SuHui Ho

Untangling the legacy: the user experience of archival research 186
Nadia Marks

Active sitting – give the users a more mobile library experience 195
Stefan Fleig and Lina Karlsson

How did UX help the National Library of France switch from an institutional idea of project incubator to a meaningful innovation squad? 205
Claire Chickly and Pauline Moirez

User research contributing to strategic decision-making and service design: Case Finland's National Bibliography and Discography 210
Riitta Peltonen and Kiti Vilkki-Eriksson

Passionate about Floorplans 218
Tim Graves

The UXLibsV Team Challenge 228

Perspectives from delegates with sponsored places:

- Shaking library culture towards UX 237
  Alexa Carter
- UXLibs from a public library perspective 240
  Claire Back
- User experience from a new perspective 244
  Rebecca Binnington
